

STEP INTO...

# CREATIVE SECTOR

(Arts, Culture & Visitor Economy)

# How to use this resource

This guide is here to help you explore different job opportunities, understand how your skills can be applied in creative jobs, and discover the pathways that can lead you to a fulfilling career.

**LMI:** Learn about the creative sector, how many people are employed and the companies you could work for. This will give you a broad understanding of the job market.

**Explore Jobs:** Discover descriptions of different jobs to find ones that interest you.

**Apply Your Skills:** See how the Skills Builder Universal Framework can be used in jobs to develop skills like teamwork and problem-solving. Your tutor or adviser will help you to review your skills and rate your current ability. There is also an opportunity to provide your own examples.

**Discover Pathways:** Find out about education, training programs, and other resources to guide you on your career journey.

# WHAT IS THE CREATIVE SECTOR?

Creative jobs are about using imagination, art, and design to make ideas come to life. People in this area create things that entertain, inspire, or help others.

**Key careers areas include:**

**Artists and Designers:** Create drawings, paintings, clothes, or digital art.

**Musicians and Performers:** Make music or act to entertain audiences.

**Media Creators:** Produce films, videos, or online content that people watch and enjoy.

Jobs in the creative sector are great for people who like expressing themselves, trying new ideas, and sharing their creativity with others.

The creative sector in Tees Valley is growing quickly. The **Boho Zone in Middlesbrough** is full of digital and creative companies, and the **BBC has invested here too**. This means more jobs in design, media, art, theatre and festivals.

# WHERE CAN YOU FIND LOCAL VACANCIES?

# WHAT JOBS CAN YOU DO?

From roles in filming to graphic design, there are many different and exciting opportunities

**TALENTINO!**

The CEC has adopted Talentino's #SameAndDifferent model, a national SEND school career framework designed to deliver effective career activities for young people with SEND. Developed from Talentino's work in schools, this concept enhances early career development and encourages employers to support the progression of individuals with SEND.
