Our Ref: SW/KS

Dear Parent / Carer,

Following a confirmed Covid-19 case affecting a member of our kitchen staff, please note that there will be a reduction in the range of lunchtime meal options available to students. In the first instance this will affect meals on Wednesday 07 July.

Should the member of staff receive a subsequent positive PCR test, then this reduced offer will apply for the rest of the term, up to and including Friday 16th July. We will inform parents via text message if this is the case.

Students will continue to be able to buy sandwiches, pasta pots, baked goods and drinks, however we will be unable to provide the full range of cooked meals normally on offer. Students can continue to use their payment card to purchase all items.

Alternatively, students can bring a packed lunch to school to be eaten in one of the designated dining areas.

Yours faithfully
