

Dear Parent

As I am sure you are aware, due to current COVID restrictions, we are unable to host our Year 6 Parents' Information Evening in school this year. However, we know how valuable this evening has been in the past for parents to find out about different aspects of school life and to share information with us. We are therefore proposing to hold an online event on Thursday 10th June from 4-6pm in order to give you the opportunity to find out information about starting the Academy in September, signing up for the Transition Summer School and meeting key members of staff.

On the website, from 4pm on the 10th June, there will be a video from Mr Whitehead, Headteacher, outlining the information you and your son or daughter will need before starting at the Academy in September; a short video from myself introducing key members of staff; there will also be a short video and information about the Year 6 Summer School and an opportunity to sign up for it.

In addition to this, virtual online meetings will be available to be booked with Miss Wall and Miss Reynolds for any SEN queries, myself and Mr Brown for any general queries about Year 7, Mr Raitt for queries and information about the Summer School and Joanne Stokeld for transport queries.

If you would like to book an appointment with one of us, could you please click on the link below to complete the form. You will then be contacted by a member of staff with a time and a link.

In the meantime, please do not hesitate to contact me if you require any further information

Yours sincerely

Miss J Stephenson

Transition Lead Teacher
