Table tennis

King James I Academy took part in a table tennis competition at Bishop Barrington on Thursday 28th February. Year 8 and year 10 represented the under-13 and under 15 students. Well done to all competitors but especially to Dylan Howe who won against his opponent.

Football

Most year groups have been involved in football matches over this half term. Students have been attending training on a Monday night afterschool and this has contributed to some good results from our teams including the Year 7 team winning against Staindrop 1-0 and Greenfield 4-1. The year 8 team also drew 3-3 against Staindrop. With only a few matches left this season let's hope we get a few more wins before the season ends. Well done to all members of the Academy football teams.

Interhouse Competitions

This term competitions have taken place in basketball and cricket. Year 7, 8 and 9 classes participated in their PE lessons for their house. Pupils competed in a range of fixtures against other houses and results were all collated and turned into points for their house.

The winners for each group were as follows:

Yr 7 – Skirlaw (5 points)
 Yr 8 – Flambard (5 points)
 Yr 9 – Wolsey (5 points each)

Points were awarded for all teams who competed and will be added to interhouse points table which is shown below
