### Netball

Year 11 have been competing in regular netball matches against various teams since September. Some students have played since year 7 and others have just joined this season. All of the team were competing to help increase their GCSE score that will count towards their final grade next May. There have been mixed results for the team but claiming victory against local rivals St Johns is worth a mention. Players have performed well but special mention must go to Caitlin Roffe for most player of the match awards and Toni Cummings for strength and determination in defence.

Year 7 have been attending training and are starting to improve in both skills and tactics ready for their matches in January. If you are interested in joining the team just turn up for practise on a Tuesday after-school and take part in training.
