### Football recruitment

Mr Raitt is working hard to recruit current year 11 students in the area to join our sixth form to participate in the elite football academy. Students would study a Level 3 sports qualification and take part in football training with regular matches. Students currently involved say "the training is good, my fitness has really improved" and "we might even win the cup this year" If you are interested or you still haven't decided what you want to do see any member of the PE department for more information
