Holland Trip

4 staff took 32 students from KS3 to Amsterdam on a football themed experience. Students had a tour of the Ajax stadium, took part in training sessions and played 2 competitive matches. As well as this students went bowling, played games at the beach and attended a theme park and a water park. Students and staff had a fantastic time and we now hope that this will be an annual event giving opportunities to more students to experience something exciting and different.

8 students and 2 staff visited Wimbledon this half term. They spent 2 days at London doing various activities such as watching Dream Girls and shopping but the main event was attending Wimbledon and watching some fantastic tennis on court 1. Both staff and students had participated in various fund raising activities to reduce the cost of the trip and then thoroughly enjoyed the experience. The department hope to run this trip again next year.
