Martin Gray Football League Results

The Martin Gray football summer league is up and running. Boys from years 7, 8, 9 and 10 have been training on a Tuesday night since September. All of their hard work and commitment is being rewarded with some fixtures against several schools that also have a Martin Gray Football Academy.

Results

Year 7/8 versus DSMS won 9-2.

Year 9/10 versus DSMA lost 10-0.

Year 7/8 versus Longfield School won 4-2.

Cricket

A group of students in year 7 and 8 entered the Sainsbury's Level 3 Wear Valley Cricket Competition at Sedgefield Cricket Club. They played against Teesdale, Wolsingham and Staindrop in the group games and lost narrowly in all of them. The boys were a credit to the school and thoroughly enjoyed the experience.
