

KING JAMES I ACADEMY

PE BULLETIN

Mrs J Humble

Issue 9

May 2015

MGFA

Students involved in Martin Gray Football Academy in KS3 were given the opportunity to attend an international football game at Wembley. Mr. Laybourn organised the trip where England faced Lithuania in a friendly. 18 students from yr7 to yr9 attended and thoroughly enjoyed a 4-0 victory. For some it will have been a once in a lifetime experience.

Interhouse Competitions

House competitions have taken place this half term in rounders. All houses had representatives thanks to the good work of our sports captains. The Year 7 competition was jointly won by Wosey and Hatfield and Year 8/9 was won by Bek but well done to all other houses and competitors. This means the final points totals before going into sports day are:

HOUSE	POINTS
1 st Place: Bek	949
2 nd Place: Wosey	947
3 rd Place: Hatfield	891
4 th Place: Skirlaw	746
5 th Place: Flambard	686

Let's make this sports day the most memorable yet, use your PE lessons to identify your best events and lets have competitors in all events for every year and house. Good Luck!

Cricket

Students in yr8 and 9 have been involved in cricket coaching sessions led by Darren from Durham Cricket Club and Andy from Bishop Auckland Cricket Club in preparation for a cricket competition held at crook cricket ground on Friday 15th May. Teams competed well and beat a number of other schools. Special mention for exceptional performances goes to Alex Smith Yr 7 boys, Molly Blench Yr 7 girls, Steven Ruddick Yr 8 boys and Nicole Waterworth Yr 8 girls. Well done to all competitors.

New Sports Captains

The PE department are looking for some enthusiastic and dedicated sports people from the current year 9 cohort to be sports captains next year. From each house we need a male and female captain and vice-captain who would be responsible for organising teams for house competitions and doing some primary festivals. Not only that you get a free t-shirt! Are you what we are looking for? Keep your eyes open for information on the application process.

KS3 Curriculum (May-July)

GIRLS – Athletics and Striking and Fielding
BOYS – Athletics and Striking and Fielding
