October 2016

Cross Country

King James took part in the year 7 and 8 cross country championships at Teesdale on Tuesday 11th October. Teams of 8 competed for year 7 girls, year 7 boys, year 8 girls and year 8 boys. All students participated with drive and commitment and represented the academy excellently. Our best results came from the boys with Kieron Grafton in year 7 finishing 11th who is reserve for county championships. The year 8 boys **won** the competition with a team total of 216 narrowly beating Teesdale and Barnard Castle. Special mention to Kyle Blacklock, for finishing 4th and Charlie Richardson finishing 9th. This is an excellent result for King James. Well done to all competitors.

Rock Climbing

More than 20 GCSE and BTEC PE students have visited ROF 59 in Newton Aycliffe to complete a rock climbing session as part of their qualification. Students participated in a range of activities including belaying, traversing and pinching. Students worked exceptionally well and some even completed the overhang. This has ensured top practical grades for a number of students.

Sports Captains

Mr Bushby has finalised his list of sports captains for 2016 / 2017. The year 10 students applied for the position by completing a form explaining why they would be suitable for the job which entails supporting house competitions and primary festivals. The chosen pupils have been presented with their sports captains t-shirts and are looking forward to being role models for their younger peers.

Football

The football season has started and King James teams have made a decent start to the season. Matches have taken place across all year groups. King James have managed wins in year 7 against several teams including a 7-0 thrashing of local rivals Bishop Barrington. Other teams have yet to achieve a victory but have been unlucky narrowly getting beat in some matches including year 8 getting beat 3-2 off St Johns.
