

OUR LEARNING JOURNEY Geography Year 7

Links to Year 8 Topics
Natural hazards
Erosional Processes
Map Skills
Place Studies

Half
Term 6

Fieldwork

Biodiversity

Linked to Ecosystems

Independent
Investigation

Half
Term
5

Sand dune succession

Ecosystems

Biomes, Tropical Rainforest

Endangered animals

Arctic Tundra

Climate Graphs

Science – Food Chains and webs

Assessment

Half
Term
4

Flood Hazards

Cause and effect of flooding

Case study – UK and Bangladesh

Active Reading – News reports of recent
floods in the UK

Natural Hazards

Fieldwork

Half
Term
3

Flood Hydrographs

River Processes Water Cycle,
Parts of a river.

Landforms.

Science – Water Cycle
Assessment

Half
Term
2

Frozen Landscapes

Antarctica,
Tourism.

Climate Graphs

Active Reading-
Climbing Mount Everest

Half
Term
1

Local Area Study

Location of Bishop Auckland
Map skills

Near Place Study
